Ladies/Gentlemen:

The January 2011 updated version of the manual for the Lubricant Test Monitoring System (TMC Memorandum 94-200) is now available on the ASTM Test Monitoring Center web site (<ftp://ftp.astmtmc.cmu.edu/docs/ltms/ltms.pdf>). The current revision addresses the inclusion of reference oil 1010 into the Sequence VID test.

You will receive a notification the next time the LTMS manual is updated. Please direct any questions to me at (412) 365-1030 or email to [fmf@astmtmc.cmu.edu](mailto:fmf@astmtmc.cmu.edu).

Sincerely,

Frank M. Farber  
Administrator
